Press Release

Ray Driskill Joins Trans-Trade as Import Department Manager

DFW Airport, TX, November 30, 2010: Trans-Trade, a leading Dallas/Fort Worth-based logistics firm, announced today that Ray Driskill has joined the company as Manager of Import Operations for the DFW branch.

Ray brings over 20 years' experience in all facets of inbound transportation and customs brokerage operations to take the reins of Trans-Trade's rapidly growing DFW operation. Jeff Bell, Trans-Trade's VP of Operations commented, "I have the utmost respect for Ray's abilities as a forward-looking manager. We are excited to have a manager of Ray's caliber to help us optimize our inbound operations and provide extraordinary customer service to a broad base of clients."

During his tenure at Expeditors International, Ray excelled in a variety of inbound logistics management and sales positions. Most recently, he was the North American manager of Expeditors' Oil and Energy Group. He is also a licensed Customs Broker.

Trans-Trade is growing its business aggressively and has seen its inbound traffic increase nearly 100% over the past 12 months. Overall, business volume and revenues have increased over 80% since September 2009.

Trans-Trade, Incorporated is a full-service supplier of transportation and logistics services for clients in the United States and worldwide. Founded in 1984, Trans-Trade has grown to become a leader in innovative end-to-end supply chain solutions that provide a clear competitive advantage. With 5 offices across 3 states and agencies around the world, Trans-Trade provides global reach and local touch to its clients. You can learn more about Trans-Trade at www.TransTrade.com.
